Each year nearly 50% of our membership makes a tax-deductible contribution over and above their regular dues. Beginning this year, members have the option to contribute either to the Brock Organ Education Fund (BOEF) or to the chapter's general fund—or to both. The scholarship fund was set up several years ago to honor our colleague Professor John Brock. We need your financial support to help build up the principal so that only the interest can be used. Contributions to the general fund allow for greater programming capabilities and improved communications. Below are the contributor categories, which apply no matter how you designate your contribution. Please select the category that is right for you. Contributors' names are listed in all printed programs of chapter-sponsored recitals and concerts.
